Indicate how many books you wish to receive at a time, up to three, and the interval at which you would like to receive them. A reserve list will then be established for you. If your list exceeds 40 items we will remove older items. Please understand that some of the books are very popular and there may be a wait. You will receive your books in a padded mailer. Please open the bag carefully so that it can be reused. There will be a return mailing label in the book pocket in the back of the books. The loan period is generally three weeks. When you are ready to return them, place them in the mailer, cover the mailing label on the bag with the return label, seal the bag with staples or heavy tape and put on the same amount of postage. Take the bag to the post office and tell the clerk that the bag is to be mailed "library rate." We invite all stockholders to take advantage of this wonderful service, if you do not already do so.

### **Picking up Books at the Library**

Stockholders are always welcome to pick up their books at the library. If you wish to be notified when a book is waiting, please let us know, and provide us with an email address (or alternately, a telephone number where there is an answering machine), and we can alert you when a book is waiting for you. If you are pressed for time, you may request that a book be left for you at the front desk.
